Welcome to the Houston Permitting Center

The Houston Permitting Center (HPC) combines the majority of the City of Houston's permitting and licensing into one convenient location. The HPC opened in June 2011 with a mission to help customers achieve their goals while complying with the City's regulations. Accomplishing our mission requires a continuous pursuit of improving the customer experience. Providing excellent service, streamlining business processes, implementing innovative technologies, and proactively engaging customers are all cornerstones of this philosophy.

When a customer arrives at the Houston Permitting Center, they will experience a culture that is dedicated to providing them with excellent customer service. It is our priority to:

- ▶ Empower our employees to solve our customers' problems.
- ▶ Provide our customers with the most consistent and accurate information.
- ▶ Serve our customers in the most polite and knowledgeable way possible.
- ▶ Measure our customers' satisfaction and continuously strive for improvement.

The Houston Police Department's Auto Dealers Detail is responsible for the licensing and regulation of automotive related businesses and the disposal of abandoned motor vehicles in vehicle storage facilities. The mission of the unit is to insure that the automotive industry complies with the many laws that govern the automotive industry's operations and to dispose of unclaimed vehicles through public auction.

Beginning July 1, the Auto Dealers Detail will begin transitioning the *wrecker license* service from a walk-in service to an appointments based service. An online appointment scheduler will be available for new, renewal, or transfer of wrecker licenses on August 1, 2013. Appointments may be scheduled via the online scheduler or by phone up to 28-days in advance.

All other Auto Dealer services will remain a walk-in based service.
